Workshop**
And
Achieve Success!

What is Getting Ahead?

Getting Ahead in a Just Gettin' By World (©DeVol & Associates, LLC) is a 50 hour internationally recognized workshop taught by facilitators in a "kitchen table" format.

Learn to build resources for a better life by moving from thinking about making a change to creating a plan for reaching the goal. Build an individualized plan to reach your goal of a stable, secure life.

You are invited!

Now is your time to Get Ahead.

Getting Ahead participants also receive:

- Free family meal during work sessions.
- Bring your kids! We provide FREE childcare.
- A stipend for participation and contributions to Getting Ahead.

Build your Resources for a Better Life

Participate in a community-style workshop where you can:

Find your strengths

Share your experience

Learn from others

Become financially secure

And have a better tomorrow!
